

Publications:

1. **Anil Kumar Verma**, Vineet Ahuja and Jaishree Paul. The trend in distribution of Q223R mutation in leptin receptor gene of ALA patients of North India: A prospective study, Biomed Research International, 2014, **Impact factor: 2.8**
2. Iyer LR, Singh N, **Verma AK**, and Paul J. Changes in expression and immunolocalization of two antioxidant enzymes in different isolates of *Entamoeba histolytica* during stress conditions, Biomed Research International, 2014, **Impact factor: 2.8**
3. **Anil Kumar Verma**, Ravi Verma, Vineet Ahuja, and Jaishree Paul. Real-time analysis of gut flora in *Entamoeba histolytica* infected patients of Northern India, **BMC Microbiology** 2012, **12:183, Impact factor: 3.04, highly accessed article.**
4. Ravi Verma, **Anil Kumar Verma**, Vineet Ahuja, and Jaishree Paul. Real-Time Analysis of Mucosal Flora in Patients with Inflammatory Bowel Disease in India, **Journal of Clinical Microbiology**, Nov. 2010, p. 427964282. **Impact factor: 4.15**
5. Reena Kumari, Nirmal Verma, **Anil Kumar Verma**, Vineet Ahuja and J. Paul. Diversity and abundance of lactobacilli during ulcerative colitis in North Indian patients: a case control study. **Journal of Clinical Microbiology & case reports**, 2015

Book Chapters:

1. Jaishree Paul, Anil Kumar Verma and Ravi Verma

Contributed a chapter entitled "Role of gut flora in inflammatory bowel disease: a state of art" to Communicating current research and educational topics and trends in applied microbiology edited by A. Mendez-Vilas, Formatex. Microbiology series No. 1, vol.2, 705-718, 2007

2. Anil Kumar Verma, Reena Kumari, Alok Bhattacharya and Jaishree Paul

Contributed a chapter entitled "Dietary impacts on the composition of microbiota in human health and disease" to Book entitled "Mining of microbial wealth and metagenomics" by Elsevier publications (in Press) 2017.
