CIRCULAR

In order to enhance scientific knowledge and communication in current PhD student(s)/student(s) planning to register for PhD, a weekly journal club meeting will be held on every Monday (starting from 6th January, 2020) at 10 am in conference hall. In this meeting every participant(s) will invariably present their understanding on a recently published research paper of their subject of research/on general tribal health for about 10 minutes duration. Scientists interested in participating in similar activities are highly encouraged to join and contribute to the activities.

Dr. Pushpendra Singh, Scientist 'E' will co-ordinate the activity and in his absence Dr. Anil Verma, Scientist 'B' will co-ordinate.

All scientists are advised to convey this circular to PhD student(s)/prospective student(s) working with them.
The meeting will be closely monitored by the undersigned.
